Yeshua was crucified on the Preparation day, raised three days later, and ascended after forty days - the same date the waters of the great flood were dried off the earth.

Sivan 5770

The Holy Sabbath is a twenty-five hour day, borrowing from the sixth day and from the first day. It begins when the sun is reaching the horizon, and ends after complete sunset. It requires preparation before the end of the sixth day. This ancient understanding has prophetic significance seen in Revelation.

29	Rosh Hodesh Av)							

Rosh Hodesh / The Head of the Month was in Temple times determined by witness observation of the first crescent of the waxing moon, then certification by the Sanhedrin - after certain Biblical definitions were applied; it should not be confused with an exact calculation of the astronomical new moon.
