The Holy Sabbath is a twenty-five hour day, borrowing from the sixth day and from the first day. It begins when the sun is reaching the horizon, and ends after complete sunset. It requires preparation before the end of the sixth day. This ancient understanding has prophetic significance seen in Revelation.

On exactly the tenth day of this seventh month is the day of the atonements; it shall be a holy convocation for you and you shall humble your souls ... On the fifteenth of this seventh month is the Feast of Booths for seven days to Yahweh.
