The Paschal Lamb was prepared between noon and sunset on Nisan 14. It was eaten between sunset and midnight of Nisan 15 with unleavened bread. As soon as the Holy Day was over, the redeemed began the fifty-day countdown to their betrothal.

27		28		29 Rosh Chodesh Av		The Holy Sabbath is a twenty-five hour day, borrowing from the sixth day and from the first day. It begins when the sun is reaching the horizon, and ends after complete sunset. It requires preparation before the end of the sixth day. This ancient understanding has prophetic significance seen in Revelation.

On Yom Teruah / the Day of Trumpeting, the archangel will shout "Tekiah Gedolah" - the Return of the Great One - before the Last Trump for the return of Messiah, and the resurrection of the righteous dead. We don't know the day or the hour, but we know the festival season.

On Yom haKippurim / the Day of the Atonements, two goats represent the two atonements - our sins being imputed to Yeshua and taken away, and His righteousness being imputed to us with the aroma ascending to heaven.

Rosh Chodesh / The Head of the Month in Temple times was determined by witness observation of the first crescent of the waxing moon, then certification by the Sanhedrin - after certain Biblical definitions were applied; it should not be confused with an exact calculation of the astronomical new moon.
